ROUTINE RACING AT JUAREZ

FEATURELESS CARD, WITH MEDIOCRE HORSES ENGAGED, DECIDED AT MEXICAN COURSE.

M. J. Winn Is Elected President of Jockey Club Juarez in Succession to the Late John G. Fcllansbee at Meeting of Directors.

El Paso, Tex., February 17.—With the exception of one for three-year-old maidens, the races at Juarez this afternoon were with selling conditions; and for the most part were contested by horses of mediocre calibre. The most promising race of the day from the standpoint of class was the mile dash with which the day's program was comideted and which resulted in an easy victory for Seymonr Vieller's Mimocloso, Beulah S, was the rumer-my, while Mad Sill, the best backed horse in the race, ran unplaced.

The colors of Jefferson Livingston were carried to victory in the race for maidens by Snider's Best, which came from behind to heat Fels, pacemaker and favorite, by half a length.

A cheap lot made up the field for the second race and orbiculation was returned the winner. Mollie Cal was the best backed of the starters and might have finished first instead of second but for bad racing luck at the start, where she was knocked back and lost much ground.

The well lacked Angustus Heinze won the taird with great case over Bonnie's Back and Florence Kripp, the choices. The finish of the fourth saw Lone Star, Poetefract and Canapa engaged in a hard drive in the order named, with Art Rick, the favorite, next. The fifth yielded on the first successful favorite of the day when Twilight untlasted Diolus, the second choice.

The annual meeting of the Jockey Club Inarcez was held today, the principal business being the election of a board of directors. Those present at the meeting were Price McKinney, James Torrigan, W. H. Fenchler, Fred Fenchler and M. J. Who. The directors elected M. J. Winn president and manager: James Battler vice-president H. F. Breivegel secretary and andition, and W. H. Fenchler treasurer, James W. Corrigan was elected to the board of directors to fill the vacabey cansed by the death of the former president, J. G. Follansbee, T. J. Sargent purchased Phyllis Antoinette for the second race, was suspended by starter Cassidy for ten days.

PLANS FOR SARATOGA MEETING.

PLANS FOR SARATOGA MEETING.

New York, February 15.—Racing at Saratoga Springs this year will begin Monday, August 2, and continue until and including Tuesday, August 31. These are the dates that have been chosen by the association, and it has been the custom of the Jockey Club to set aside that month for the sport at the Springs.

The plaus for next August were made known by Racing Secretary A. Mcl., Earlocker at a recent banquer of the Business Men's Association held at Newman's Lake House, Saratoga, It was also made known at the same banquet that the citizens of Saratoga will again be asked to subscribe to a final to help out the sport.

Addiressing the banquet, Mr. Earlocker said: "The Saratoga association has applied to the Jockey Club for the full month of August, and we hope to obtain the needing dates from Monday, August 2, until Tuesday, August 31.

"Last year, to be exact, Saratogians gave us \$6,154.26. To this the gentlemen of the Owners' Fund mided \$7,550 as they promised. The total, a trifle more than \$13.000, was of great value in helping to defray the expenses of the meeting.
"Our stakes amounted to about \$85,000, No other association, I believe, gave such a large amount in proportion to the receipts. The Saratoga association, has always expects to do so. This year, for the last time, we shall probably be forced to call moon Saratogians for help.
"The association does not receive any remuneration from any sources except that which is paid for admission to the race course, the catering privileges, stall rents and surphus bids in selling races, and the money that is donated by the merchants and citizens of Saratoga and the gentlemen that donate the Owners' Fund. Had it not been for the east two days of the 19th necting, on which we ran our most costly stakes, the association would have made considerable meacy. On account of the storm we lost almost \$18,000 on the two days."

TRAINING BEGINS ON NEW YORK TRACKS.

New York, February 17.—The mild weather that has prevailed for some days has Induced some of the trainers at Sheepshead Bay and Gravesend to bring out their charges, S. S. Hildreth had Stromboll, Top Hat and Flittergold, of the Angust Belmont string, under saddle, and they were galloped along smartly. Each looks the picture of robust health and they could be put into notive trabing almost at once. The two year-olds in the stable were also cantered. The Belmont two-year-olds are a bit small, but they slow quality and may race up to their blood lines when the time rolls around for them to appear in public. again and a stable were also cantered.

Tayler, W. W. Venters, A. Harvier, W. W. Wenters, A. Harvier, W. W. H. Karriek still conlines his efforts to shed work, but he has ample room to jog his horses under shelter, and he promises to have some of them ready for early raches. Starpshooter and Phasphor are both looking well after their lifleness, and Kaskaskla gives every promise of earrying her two-year-old excellence into this season.

May Hirsch is fitting the Behaont cast-off, Norse king, for the races, and he has decided to ship his lorse to Maryland at the end of tids mouth to get ready for the opening at Rowle, April 1.

The contingent from the Quincy stable that is intended for raching in Kentacky is at Sheepshead Bay in the care of Steve Lawler, Trojan, winner of the Futurity, and Double Eagle are being pointed for the Kentucky berby to be run at Churchill howns, Lonisville.

W. O. PARMER BUYS ENGLISH STALY.

New York, February 15.—Waller O, Parmer, of the Edenwold Stud in Tennessee, has imported the English stallion Assagal, to take the place of The Commoner at his breeding farm. This horse ar-rived on the Atlantic transport liner Minneapolis and has been shipped to Tennessee. On the same steamship there were three thoroughbred juapers that were consigned to Harry Payne Whitney, and fley have been sent to the Brockdale Farm in New Jersey.

Jersey,
Assogai Is a six-yoar-old bay horse by Spearmint Charm, by St. Simon. He is a rightly bred young borse but did not amount to much as a racer, his only victory being when he won the Hanoston Plate of a mile and five-eighths at Hurst Park in 1912, in which be defeated Grave Greek, Lido and Dublin Bay. He also ran second that year to Absolute in the North Derby at Newcastle.

AN EXCEPTIONAL SORT OF BREEDING.

Dr. M. M. Leach writes from Lexington, Ky., as follows: Hr. M. M. Leach writes from Lexington, ky., as follows:

"Miss Blair, dam of Joe Blair, which made a futile attracet to beat the flying Pan Zarera last week at Juarez, is given, in Vol. 10, of the American Stud Book as being by Bomie Joe. Bomie Joels the stre of Joe Blair and the crediting of Miss Blair to bin is a mistake which is corrected in the third supplement to Vol. 10 on page 10. Reference discloses the fact that Miss Blair is a daughter of Bowling Green, son of imported King Gallop and Imported Playing Fields, by Adventurer.

"The case was so musual that I made a point of looking it up. The only offer resent histance, this time a true one, occurs in the pedigrace of Sir Bilke, which was out of Dilsey, by Hunter's Lexington, out of Chassense, by Hunter's Lexington."

WILL MAKE ANOTHER TRY AT HAVANA.

Havana, Cuba, February 17.—Racing will be resumed once more at Oriental Park tomorrow, following a layoff slace Sunday on account of unfavorable track conditions. The course is still heavy.

Numerous arrivals are expected within a few days from the United States, us a natural result of the closing of the New Drieans meeting yesterday.

Another race for unites will be carded and will be run between the third and fourth races for the thoroughbreds,

The French government has definitely refused permission to Mr. Sydney Platt to take his horse Ciltlas to England to run for the Grand National. This will be a disappointment not only for the owner, but for the racing jubile, as the presence in the field of the French candidate would have added an element of interest to the race, it seems that only become to leave France.

"This shows," says Dentscher Sport, "the fine feeling of the leading members of the Jockey Chib, and also marks their firm faith in being after to commence the scason's racing on the appointed day, April 17."

He was opposed by a large field in the Middlesex Malden Hurdle, and with Screamer among the runners backers did not care to look heyond the Weyhill four-year-old for the probable winner, Cigar being among the 100 to 7 and other division. EUROPEAN WAR DEVELOPMENTS.

The German victory on the eastern front seems to be almost complete, with the Russians falling back at practically every point in the long, irregular battle line from the southermost province of Austria to the northern extremity of Poland. The official account of the tremendous German victory in east Prussia, issued in Berlin, shows that the success won by Flehl Marshal von Hindenburg Is far greater than has been indicated by any dispatch from either side. More than 50,000 Russians were captured, with fifty cannon and skyly machine gaus, and only remnants of the czar's great army of 200,000 men escaped across the Poland frontier. The victory was won under the eyes of the kalser. Who warmly congratulated von Hindenburg and his troops. AUSTRIAN SIRE'S CAREER IN ENGLAND.

The death of the well-known Austrian race borse and sire, Tokio, which is announced in Deutscher Sport, at the age of 22 (It occurred fast November), recalls an unsuccessful expedition to England with him in 1825, when he was a three-year-old. The son of Talpra Magyar and Totleany in that season won, among other races, the Austrian Derby, and the syndicate that owned him sent him over to England to tun for the Cambridgeshire. There he was known as Tokio 11., and with 115 pounds he was by no

means barshly treated, when one considers that Fexhall at the same age carried 126 pounds vectoriously, while La Fleche won under 122 pounds and Plabsanterie with 124. Other three-year-olds that carried rather substantial burdens with success were Jong-leur, 116 pounds; See Saw, 114 pounds, and Alleante, 110. With Bufferd in the saidle Tokio II, started a joint favorite together with Court Schomberg at 5 to 1, but the Austrian was not in the first four to Marco, then also a three-year-old and carrying 105 pounds. Tokio afterwards ran for the Berly Cup, which at that time was still run over a mile, the started second charafte for that race, with 129 pounds on life back, but again failed to get into the product of the second character for that race, with 129 pounds, and Red Heart, 118 pounds; the last-maned a three-year-old helonging to Folonel North. Although Tokio failed to distinguish himself there, he was a big winner on the Continent, and In four seasons be carried of nearly \$140,000 in stakes. At the stud he sired many winners in Austria-Hungary, where his stock won well over \$150,000.
